*Dear 2019 Catering Clients ~*

*The management team at Station 43 worked very hard to make the Catering menu more user friendly for you. In addition to providing the details about our great variety, we have added pricing. After looking through our menu selections, if there is something that you would like but just don't see it, don't hesitate to ask. If we can accommodate your request, we will be more than happy to do so!*

*Once you make your selections, there are a few things that may be helpful in your planning and ordering. A **half pan** typically serves about 8 - 15 people, while a **full pan** serves 15 - 25 people. We understand that this is a pretty wide range, but there are a couple of details that may make your choice easier, such as: are you having other food to accompany your selections? Who are your guests, and what do you think their appetites will be like (anything from a family gathering of adults and children to a high school football team celebrating a victory)? Let us know the details and we will be more than happy to help you decide. We don't want to sell you something that you don't need.*

*We have a few options for you when planning your special event.*

- *Pick-Up your Order at Station 43*
- *Have Us Deliver to your special event ~ \$10 - \$25 charge depending on distance*
- *Staff your event ~ you ENJOY, we do the work ~ \$20 per person, per hour with an hour of set-up and clean-up time*
- *Grill on Site ~ we bring a team, cook and clean up your event*

*Thank you for your continued support of Station 43 and Station 43 Catering. **We are here to serve you.***
