Station 43 Tavern now occupies the space that was once Fatica's Restaurant. In the 1960's Fatica's was a popular spot for authentic Italian cuisine. As a child growing up in Solon, I enjoyed their family style approach to delicious home cooked food.

In 2006 with the inspiration of two Solon firefighters, Mike Ruth and Bob Shimits and partners, Station 43 was born.

Our décor is a *Thank You* and a *Tribute* to all of our men and women in uniform who selflessly serve and protect us each and every day.

We strive to continue the enjoyable family style approach to great food, great service and great friends.

Station 43 Tavern serves our homemade specialties along with traditional favorites. While dining, keep in mind we host at our home or yours. Our catering staff serves anything from our famous chicken parmesan to specialty items such as lamb chops and crab legs. Whatever you desire we will do our best to provide.

Thank you for your support. We are always available and appreciate your comments. We hope you feel the love and find Station 43 Tavern is your home away from home.
